SPEAKER LUEDTKE: Read the motion.

CLERK: I move to reconsider our action on final passage of LB 263. Signed Senator Murphy.

SPEAKER LUEDTKE: The Chair recognizes Senator Murphy.

SENATOR MURPHY: Gentlemen, this bill relating to securities in Nebraska was one of our consent type agreements to advance to Select File where it would be thoroughly discussed. There were a great many votes in opposition at the time it was on General File, and unfortunately, on Select File, that discussion did not come about. The committee amendments destroy a great portion of the bill. I don't think this body has participated in the discussion and the effect of the amendments that were offered by the Banking Department. They are not a part of those committee amendments for some reason and I feel that it is extremely important that we be aware of exactly what those committee amendments do and accordingly I am going to ask that this be taken up tomorrow. I will print the banking amendments in the Journal today so that you may have an opportunity to see them and would ask that this motion be taken up tomorrow, if the Chair would consent.

SPEAKER LUEDTKE: Are you asking Senator Warner a question, Senator Murphy?
